

# Computer Games Issues Research Report

## Due Date:

Students are asked to produce a 2 page, word-processed report on one of the following issues (or one of their own choice provided it is approved by their teacher).

**Social**  
Violence  
Racism  
Sexism/gender stereotyping  
Isolation/anti-social

**Health**  
Addiction  
Obesity  
Repetitive Strain Injury  
Impact on brain development

Please Note:

- This is an **individual** research assignment
- To preserve space for your content,
  - margins should be set to no bigger than 2cm each
  - main heading should be no more than 2 cm deep
  - font size for text should be between 10 point and 12 point inclusive
  - font size for minor headings should be no bigger than 14 pt
  - bibliography may be on a separate attached page if necessary
- You should provide
  - an outline of the issue
  - supporting arguments for the issue
  - refuting arguments if possible
  - strategies for overcoming/dealing with the issue
  - a conclusion
  - a bibliography with details of at least 3 sources that you used when researching your issue
- It is expected that
  - your work will be carefully spellchecked and proofread by you
  - your work will also be proofread by a critical friend/family member for feedback
